

## Help the Musée de Saint-Boniface Museum identify their mystery artifact!

The Musée de Saint-Boniface Museum is looking for assistance in identifying an artifact in their collection. As you can see from the photos it consists of a fixed centre pole, two spouts on opposite sides, and a spout at the front.

If you have any ideas as to what it might be, or who might be able to help in identifying it, please contact Lise Bremault at the museum at (204) 237-4500 or 986-8499 or

[lbremault@msbm.mb.ca](mailto:lbremault@msbm.mb.ca)

Any constructive thoughts or suggestions would be appreciated. Thank you.
