### **Who is the Association of Manitoba Museums (AMM)?**

The Association of Manitoba Museums (AMM) is a non-profit, charitable organization dedicated to promoting excellence in preserving and presenting Manitoba's heritage. Representing almost 200 museums in the province, the AMM provides innovative training, advocacy, resources and leadership to its diverse and growing membership.

### **Why become a sponsor of the AMM's Conference?**

The conference regularly attracts staff, volunteers and board members who work in museums across Manitoba, as well as representatives from institutions in Saskatchewan and Ontario.

The delegates attending our conference represent community museums, heritage centres, historic buildings, cultural centres, history, science and nature museums, art galleries and historic societies – all non-profit organizations.

By becoming a sponsor you will increase your organization's visibility and profile within Manitoba's cultural community.

Your participation will identify your company or organization as a supporter of museums in Manitoba, and the work that they do to preserve and promote the province's heritage.

## Investing in Manitoba's museums

Manitoba is home to almost 200 museums, located in every region of the province. These museums have deep community connections, and serve as gathering places and sources of local pride. Museums are important to the economy, to tourism, to education, to our communities, and to our quality of life.

### Benefits:

Among the many benefits of being an AMM sponsor, your organization will receive:

- Exposure to emerging and established museum professionals, board members and volunteers working in Manitoba and surrounding provinces
- The right to place promotional materials (subject to approval) in the delegate packages
- Acknowledgement in the AMM conference program
- Acknowledgement in the conference issue of the AMM Messenger (e-newsletter)
- Acknowledgement on the AMM website, and other social media
