IT'S THE LAW – Manitoba public health orders state that museums are open to FULLY IMMUNIZED visitors only over the age of 12. Children under 12 MUST be accompanied by fully immunized members of the SAME HOUSEHOLD.

Since we are unable to confim your immunization with the Manitoba Immunization Verifier Application, we are collecting contact information for COVID-19 contact tracing. In addition,we are asking visitors to sign a declaration stating that the information provided is correct.
